To Whom it May Concern:

It is my pleasure to, without any reservation, recommend Ms. Abby Harnack for employment as an elementary classroom teacher. I feel she is an excellent candidate and will positively contribute to your school and students. She is honest, detail oriented, innovative, organized and hard-working.

Ms. Harnack has been working with my special needs daughter, Meliah, since June, 2014. She is an excellent employee. She always arrives on time and ready to work. Meliah has significant physical and behavioral challenges. Ms. Harnack works very well with Meliah and is innovative in her approach to tasks that encourage Meliah to fully participate and grow developmentally. She is motivated to help Meliah improve both developmentally and behaviorally. She addresses Meliah's behavioral issues appropriately and pushes Meliah to work through any outbursts. Ms. Harnack collaborates well with Meliah's therapists as well as with my husband and myself.

Feel free to contact me with any additional questions or concerns.

Sincerely,
